Insurance Requirements

To process your upcoming order, High Output, Inc. requires that a certificate of insurance be faxed or delivered to our office prior to the start of the rental.

High Output, Inc. should be listed as the Certificate Holder and the certificate should reference:

- 1) At least ONE MILLION DOLLARS (\$1,000,000.00 U.S.) in **General Liability**. High Output, Inc. should be listed as ADDITIONALLY INSURED.

- 2) If you are renting a Grip Truck, Trailer or Vehicle from us: at least ONE MILLION DOLLARS (\$1,000,000.00 U.S.) in **AUTOMOBILE LIABILITY**. Again, High Output, Inc. should be listed as ADDITIONALLY INSURED. The certificate should specify Hired Autos and/or Non-Owned Autos.

- 3) At least _____ Dollars in **Miscellaneous Equipment**. High Output, Inc. should be listed as LOSS PAYEE.

This amount is based on the content of your order as of _____ and should be listed on the certificate as **REPLACEMENT COST**.

(The exact amount will change if the order is modified.)

Additionally, with regards to Equipment coverage, the policy should be "All Risk or Special Form including Earthquake and Flood," and should be effective worldwide. Also, there may be no locked or unattended vehicle or Hotel/Motel exclusions.

Please list us on the certificate as:
