Re: _____

Grip & Lighting Packages

The Trifold (attached) shows our small-to-medium size grip and lighting packages. Call for information on larger packages (5-Ton, 10-Ton), generators, as well as for detailed lists of lighting and grip equipment available in Charleston. A la carte orders are welcome. Local deliveries are \$35, call for rates to Columbia, Savannah, etc.

Detailed Rate Card

In the left-hand column under "HOC" (High Output/Charleston), are the quantities of each item we typically keep here in Charleston. Other gear shown is available, but shipping is additional. ALL rentals are subject to availability: please book early!

Startup Paperwork: Insurance Certificate and Account Application

We must receive an insurance certificate and signed account application before doing business. If you have bank and trade references on hand, please fill out the top of the account application, SIGN the bottom, and write "see attached" in the middle.

Please FAX our insurance requirements page to your insurance agent and encourage the agent to call with any questions. In spite of the paperwork, rentals are COD until we've known you for a long time. Company checks and major credit cards are fine.

Expendables

We carry a full line of expendables, see the attached page for pricing. Call ahead to confirm availability of 4x8 board goods (foamcore, plywood), lumber & practical lamps.

Directions

See "how to find us" from either the airport or downtown Charleston. We're open Monday thru Friday from 8:30 to 5:30, and at other times by appointment.

Call us with any questions and thank you!
